

# Ice at the Interface

## Polar Boundary Layer Processes Workshop

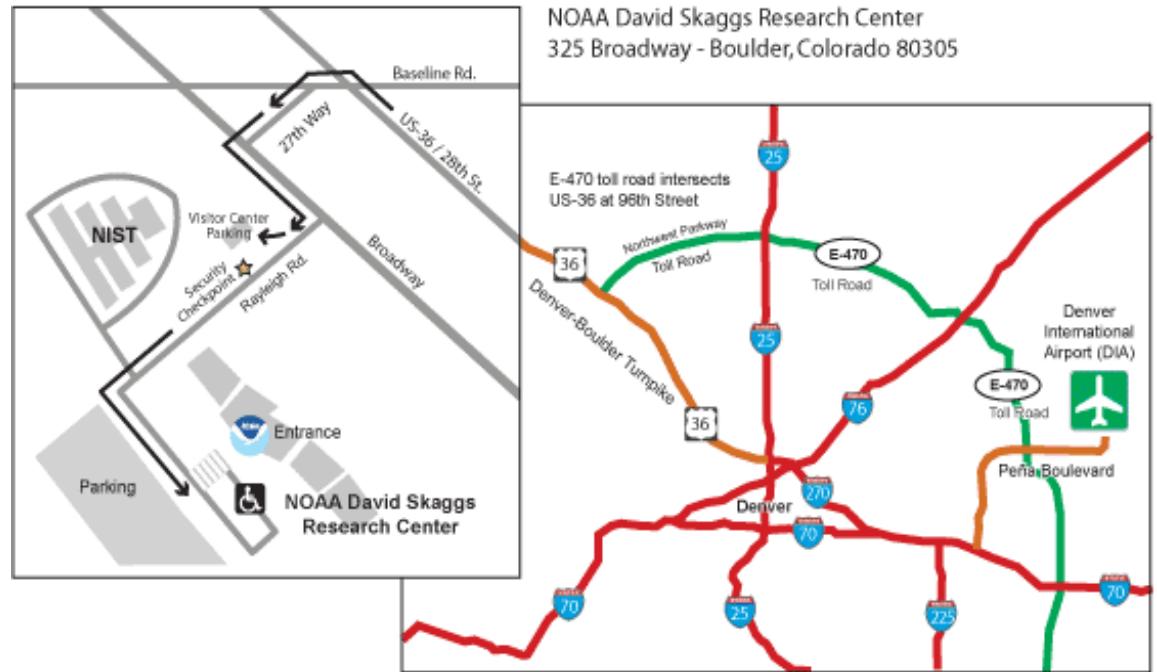

25-27 June 2012

Room 2A-305 in David Skaggs Research Center (NOAA)  
Boulder, CO, USA

### Getting to the Building

***Please arrive approx. 20-30 min early on the first day to allow sufficient time for gaining admittance to the facility.***

The Visitors Center and entrance to the Boulder Department of Commerce facilities are located on Broadway at Rayleigh Road. All workshop attendees, including pedestrians, are required to check in at the Visitors Center at the Security Checkpoint to receive a visitor badge. All attendees must present a valid photo ID and mention the workshop name. Once cleared through the checkpoint, proceed southwest on Rayleigh Road to the David Skaggs Research Center parking lot.

## Polar Boundary Layer Processes Workshop

25-27 June 2012

Room 2A-305 in David Skaggs Research Center (NOAA)  
Boulder, CO, USA

### Getting to Room 2A-305

Room 2A-305 is located on the second floor of the northernmost block (A) of the David Skaggs Research Center (DSRC). Enter the DSRC through the main building entrance, located in the central west side near the flagpoles. Sign in at the front desk. From the lobby, proceed up the stairs one level, turn left (north) and follow the long hallway. At the next major intersection (featuring windows and a freight elevator) turn right (east), then left again. The seminar room is through the double doors on your left.
